

Job Title:	Garden Educator	Position Type/ Classification:	Part-time or Full-time / Regular 15 to 40 hours per week
Location (Zip Code):	Charleston, SC 2943	Travel Required:	5-10% Locally
Reports To:	Farm to School Program Manager	Pay Range:	Part-time hourly rate \$15/hr - \$23/hr Full-time salary rate \$32,000 - \$48,000 / year

Position Summary:

The Garden Educator’s primary responsibility is to lead garden-based learning activities for elementary and middle school students, including hands-on lessons in the garden and culinary classes, and build strong relationships with all school community members. This position plays a key role in strengthening students’ understanding of garden and kitchen connections, as well as how the food we grow affects themselves, their community, and the planet.

Areas of Focus: Educational Planning and Instruction (60%), Community Outreach (20%), Garden Maintenance (20%)

CORE RESPONSIBILITIES AND DUTIES:

Educational Planning and Instruction 60%

- Plan, prepare, and deliver Green Heart weekly lesson plans that facilitate active learning.
- Instruct and monitor groups of 12-25 students at a time.
- Ensure that the garden is prepared adequately for all students, volunteers, and school staff to use as an outdoor classroom.
- Lead and coach Green Heart Buddy volunteers throughout instruction to ensure student success. ▪ Confer weekly with the Green Heart programs team for lesson planning and delivery. ▪ Communicate weekly to coordinate lesson times and logistics with teachers and staff at partner schools, volunteer Green Heart Buddies, and other Green Heart Project staff members.
- Plan and coordinate Green Heart programs at least twice per semester with partner school staff members.
- Acquire and organize all lesson supplies and materials for assigned programs.
- Assist with Youth Internship Program, as needed throughout the year.
- Other duties/tasks as assigned.

Community Outreach 20%

- Take part in at least two community engagement events per semester at assigned Green Heart partner schools, such as Farm to Cafeteria activities, science fairs, staff meetings, PTA meetings, etc. ▪ Serve as a team player, leading and assisting on other organizational tasks, including but not limited to planning and executing public events.
- Other duties/tasks as assigned.

Garden Maintenance 20%

- Conduct weekly garden maintenance and upkeep at assigned partner schools, including watering, weeding, compost management, etc., with support and direction from the Farm and Garden team. ▪ Participate in all “Garden Workday” volunteer events at assigned partner schools.

- Other duties/tasks as assigned.

SUPERVISORY RESPONSIBILITIES: None

REQUIRED QUALIFICATIONS:

- Must have bachelor's degree, or equivalent experience and training.
- Must have experience teaching or leading elementary, middle, or high school students in a structured setting, ideally in food, farming, or health education.
- Must have strong interpersonal skills, as well as verbal and written communication skills. ▪ Proficient computer skills and meeting apps, including collaborative applications such as Microsoft Suite or Google Workspace.
- Must be comfortable with “getting your hands dirty” and working in an outdoor environment on a regular basis.
- Skilled in group management (students and adult volunteers).
- Valid driver's license and reliable transportation.

DESIRED COMPETENCIES:

- Demonstrated strong teamwork skills.
- Strong commitment to promoting and supporting health, education, and volunteerism. ▪ Ability to create a safe and inclusive space for a diverse community of stakeholders. ▪ High level of motivation and commitment to support and facilitate The Green Heart Project's mission and philosophy.
- Ability to collaborate with a variety of school systems and community partners to build a positive public relationship.

WORKING CONDITIONS:

- This position may be required to work outside of general operating hours of business, including weekends and/or evenings.
- Regularly works in outdoor weather conditions, including but not limited to, exposure to extreme temperatures such as heat or cold.

PHYSICAL REQUIREMENTS:

- Ability to frequently bend, reach, stoop, squat, pivot, turn, balance, walk, pull, and lift and carry up to 50lbs.
- Ability to quickly move hands and arms sufficiently to grasp, hold, finely manipulate that allows for all job duties to be fulfilled.
